Rust•Out Spotter

Rust•Remover eliminates rust from carpet fabrics. It is designed for rapid, complete penetration and dissolving of rust stains.

	Quart 12 case
Rust•Out Spotter Diluted pH 2-2.5	**C333-009**

DIRECTIONS: Shake well before using.
Test fabric in inconspicuous place for color fastness before using. Do not use on metallic weighted fibers or fabric containing metallic yarn.

Effective for use on most fabrics and colors when used as directed.

Always apply **Rust•Out** with the nozzle of the bottle. Never rub in with fingers. On deeply set stains, allow time for **Rust•Out** to work. On old spots, you may want to leave it work for several hours or overnight.

Avoid getting **Rust•Out** on your hands as it might inadvertently be transferred to your mouth. Rinse treated spot several times with a wet cloth or sponge.

1. Apply **Rust•Out** sparingly to the rust stain.

2. Blot excess rust remover up into a white towel. (Agitation may be necessary)

3. Repeat if necessary until stain is removed.

4. Rinse step must be very thorough.
