Virtu-Clean™ Sterile 70% Isopropyl Alcohol

Virtu-Clean™ Sterile Alcohol is a 70% Isopropyl Alcohol / 30% Water for Injection cleaner for critical environments. This IPA is filtered at 0.1 microns which is less than the 0.22 industry standard for added cleanliness.

Key Features

- Validated sterile
- Available in 16 oz trigger spray bottle
- Removes many surface contaminants
- Used for wiping down gloved hands, vials, equipment, supplies, counter tops, floors, walls and more
- Double bagged
- 5 Year Shelf Life: Outlasts competitors typical 2-year claim
- ISO class 5
- USP <797> and USP <800> compliant
- Sterile 70% Isopropyl Alcohol (IPA) is listed throughout the USP <797> and <800> requirements as appropriate for a wide variety of processes and procedures
