

TaskBrand® P41 Premium Series Wipers

The TaskBrand® P41 Premium Series Wipers are made of Hydrospun material. This material is one of the most versatile nonwoven materials for general purpose applications. With a cloth-like feel, the P41 Premium Series is gentle enough for personal hygiene, effective at cleaning glass and mirrors, and can handle lubricant cleanup. P41 Premium Series blends durability, absorbency, and cost-efficiency, proving their worth in diverse cleaning and maintenance situations.

Key Features

- Most economical single-use wiper
- More economical than woven wipers
- Highest quality utility wipe
- Durable, light duty, low lint
- Absorbent, excellent wipe-dry
- Resistant to many solvents
- Convenient small footprint packaging, keeps wipers contained and clean
- Packaging with built in visual indicator, know when it is time to replace
