

## ■ **TEXTASK™ DISPOSABLE SHOP CLOTHS**

### A perfect disposable shop towel replacement for your facility.

TexTask wipers are made from a special non-woven material that consists of rayon/poly. The wipers are extremely low lint, soft, absorbent, and very durable when wet and dry.

#### Strong and Absorbent

The special raised embossed pattern helps to better absorb and clean. A preferred wiping solution for the printing and painting industry and ideal for cleaning rollers, ink trays, and general cleanup tasks.

#### Scratch-Free

TexTask wipers are a great replacement for traditional cloth shop towels and they provide a fresh wiper each time, avoiding scratches that can occur from unwanted metal debris typically found on laundered shop towels. Silicone free.

| Item #   | Description                 | Color | Size      | Selling Unit           |
